QUALIFICATION

The League will declare the final order of finish as the web standings will not necessarily display the seedings properly. Final order of finish and seeded schedules will be posted to the website.

Tiebreaker if teams are tied:

- Most points earned between the tied teams in head to head competition
- Most overall wins this season using all League games played
- Goal differential between the tied teams
- Fewest goals allowed between the tied teams
- Goal differential this season using all League games played
- Fewest Goals allowed this season using all League games played

Once a criteria firmly establishes the position of any tied team, that team will be placed in that position, and the remaining teams will start the tie breaking process from the beginning to determine the order of finish for the remaining teams.

- Players must have participated in a minimum of four (4) AYHL League games in order to be eligible to participate in the AYHL Playoffs.
- Your current AYHL web site roster should match your Certified USA Hockey team roster. ONLY those players and coaches listed on BOTH your USA Hockey roster and the AYHL web site roster will be permitted to participate in games, or be in the bench area. There will be NO EXCEPTIONS to this rule, as it is a USA Hockey liability issue. Please note that all player information must be complete on the AYHL web site. There will be fines imposed by the League for each missing piece of information at a rate no less than \$25.00 per occurrence.
